ABOUT GOLDMAN SACHS
The Goldman Sachs Group, Inc. is a leading global investment banking, securities and investment management firm that provides a wide range of financial services to a substantial and diversified client base that includes corporations, financial institutions, governments and individuals. Founded in 1869, the firm is headquartered in New York and maintains offices in all major financial centers around the world.

ABOUT GLOBAL INVESTMENT RESEARCH
Global Investment Research (GIR) drives commercial transactions through thought-leading research. Economics Research formulates macroeconomic forecasts for economic activity, foreign exchange and interest rates based on the globally coordinated views of its global and regional economists. Commodities Research provides views, forecasts and recommendations on energy, industrial metals, precious metals and agricultural commodities. Equity and Credit Strategy Research formulates market forecasts, provides opinions on both asset class and sector allocation, and suggests ways to implement strategic views via various asset classes and/or derivatives.

GLOBAL INVESTMENT RESEARCH GAP YEAR INTERNSHIP PROGRAM OVERVIEW
This Gap-year internship will sit with our Credit Strategy Research team for a period of 1 year in Hong Kong. This is an opportunity for the intern to gain broad knowledge on economies and markets, obtain skills on data researching and critical analysis, as well as hands on experience in financial information technologies.
